VOLUNTEER RESEARCHERS NEEDED

★ HELP US BUILD A NATIONWIDE RESOURCE GUIDE ★

FOR VETERANS & THEIR FAMILIES

Veterans and their families deserve to know where to turn for help in
their own communities. You can make that possible.

ONE COUNTY AT A TIME. ONE RESOURCE AT A TIME. ONE VOLUNTEER CAN MAKE A DIFFERENCE.

WHAT YOU'LL RESEARCH

Identify and verify local organizations
and programs that provide support such
as:

- Housing & Homelessness Assistance
- Food & Emergency Assistance
- Employment & Job Training
- Healthcare & Dental Services
- Mental Health & Counseling
- Legal Assistance
- Financial & Utility Assistance
- Transportation Services
- Education & Training
- Family & Caregiver Support
- Veterans Service Organizations
- VA & Government Programs
- And more

INFORMATION YOU'LL COLLECT

For each organization or program,
document important details such as:

- ✓ Organization / Program Name
- ✓ Services Provided
- ✓ Eligibility Requirements
- ✓ Address & County Served
- ✓ Phone Number
- ✓ Website / Email
- ✓ Hours of Operation
- ✓ How to Apply / Access Services
- ✓ Geographic Area Served
- ✓ Source of Information
- ✓ Date Verified

ACCURACY MATTERS

Every resource should be verified
so veterans and families can rely
on the information.

WHO CAN VOLUNTEER?

You don't have to be a professional
researcher. We need people who
are:

- ★ Comfortable searching the internet
- ★ Detail-oriented
- ★ Willing to verify information
- ★ Able to follow simple research
guidelines
- ★ Interested in helping veterans and
their families

ONE COUNTY CAN MAKE A DIFFERENCE
